

## Hold on to Hope Book Pop-up Card

Stampin' Up!'s Hold on to Hope stamp set is so beautiful, and it's perfect for this book pop-up card.

I designed this book pop-up card for my technique groups this month... it's extra special when I share a fun technique or fancy fold I created myself with my downline and club members.

Below you will find the supply list, measurements, instructions and a video with assembly tips. This book pop-up card is very easy to make and has so many possibilities!

5. Stamp sentiment on left side of 3 x 4-1/2 white cardstock (scored at 2-1/4). Apply adhesive to one edge of cardstock (do not apply adhesive to center portion as it may buckle when you close the card). Adhere to one side of book by lining up to fold of book, and centering top, bottom and edge. Apply adhesive to other edge, fold and close book to adhere other side.

5. Stamp two floral images and cut out using framelits & Big Shot. Using 3 mini glue dots (each end & center) apply to corner of book. Repeat for second floral image.

6. Emboss 4 x 5-1/4 whisper white cardstock using Pinewood Planks Texture Embossing folder & Big Shot. Adhere to front of card.

7. Stamp another floral image and 'God is Love' image; cut out using framelits & Big Shot. Cut cross & scalloped oval die on silver foil sheet. Adhere ovals together with adhesive and attach to card front with dimensionals. Attach cross using 4 mini glue (one on each end of cross). Attach banner using dimensional on left side and adhesive on right side.
