### Instructions:

1. Remove protective film from box. Tie ribbon into bow on top flap as shown in photo.

*Tip: To save on ribbon I cut ribbon from spool after I tie my bows.*

*Tip: It's easier to tie bow on box went flat.*

2. Bend box on all score lines to make it easier to fold. Fold bottom of box in this order:

- Large flap (looks like goal post)
- Side flaps (press down to lock into goal post tab)
- Small tab (press down to lock into goal post tab)

3. Fill box with Hershey's Hugs & Kisses (I used 7 each)

2. Print circle text on cardstock and punch with 1-1/4" Circle Punch. Adhere to Scalloped Circle punched from Foil Sheets. Attach to box lid with 3 dimensionals.
