Instructions:

1. Randomly stamp Designer Series Paper using Early Espresso ink and leaf image. Stamp tree image on 4 x 5-1/4 Early Espresso Cardstock using Early Espresso ink, then texture cardstock using Subtle Textured Impressions Embossing Folder and Big Shot. Adhere stamped Designer Series Paper to lower section. Wrap 1/4 Copper Trim around & tie into knot. Adhere to Early Espresso card front.
 2. Stamp image using Early Espresso ink onto Very Vanilla cardstock scrap (2-3/4 x 2-3/4), cut using Layering Circles framelits, Big Shot and Magnetic Platform. Adhere to Early Espresso cardstock circle cut using Layering Circles Framelits, Big Shot & Magnetic Platform. Adhere to Copper Foil circle cut from Copper Foil scrap using Layering Circles framelits, Big Shot and Magnetic Platform. Attach to card front with dimensionals.
- Tip: When cutting circle from Copper Foil you can also cut a smaller circle at the same time. The small circle can be used on a future project.*
3. Center 3/4 x 3 Designer Series Paper in Banner Triple Punch to punch one end. Stamp sentiment and attach to card front using dimensionals.
 4. Adhere 3-3/4 x 5 Very Vanilla cardstock to inside of card.
