Measurements:

- ♥ **Colored Cardstock:** 2' x 8-1/2" scored at 4-1/4"
- ♥ **Whisper White Cardstock:** 2-1/8" x 3-3/8" (message card)
- ♥ **Designer Series Paper:** 2-3/4 x 5-3/8 scored at 1-1/2" from each end
- ♥ **Ribbon:** 12" of ribbon and 12" of baker's twine

1. Punch each end of 2" x 8-1/2" cardstock with Scalloped Tag Topper Punch. Fold in half at score line.

Tip: If you are making more than one gift card holder score 8-1/2 x 11 cardstock at 4-1/4" before cutting 2" strips.

2. Fold Designer Series Paper on score lines (mountain folds) and apply adhesive to both ends on back side. Line bottom edge of designer series paper to be about 1/4" above fold of cardstock. Center Designer Paper and wrap around adhering to cardstock.
3. Slide ribbon into openings made with Scallop Tag Topper Punch. Then insert message card & gift card between cardstock and slide all the way to fold of cardstock.
4. Tie ends of ribbon together with baker's twine to secure.
5. Embellish gift cards as desired.

Note: The white circles I used for embellishing are made using the Softly Falling Texture Embossing folder & Big Shot on Whisper White cardstock, then cut using 2" circle punch.
