Supplies:

- ♥ **Stamp Set:** Home To Roost (149736-cling)
- ♥ **Ink Pad:** Mango Melody (147093), Poppy Parade (147050), Granny Apple Green (147095), Jet Black Stazon (101406)
- ♥ **Cardstock / Paper:** Basic Black (121045), Poppy Parade (119793), Whisper White (100730)
- ♥ **Tools / Misc:** Classic Label Punch (141491), SNAIL (104332), Simply Shabby (147042), Simply Scored Scoring

Tool (122334), Clear Block Bundle, save 10%(118491), Pencil with eraser

Measurements:

- ♥ **Basic Black:** 4-1/4 x 8-3/4 scored at 5-1/2, 3 x 8-1/2 scored at 4-1/4
- ♥ **Poppy Parade:** 3-1/4 x 4-1/2
- ♥ **Whisper White Cardstock:** 3 x 4, 2-3/4 x 4 (two)

Instructions:

1. Using Black Stazon Ink stamp wheat image onto 3 x 4 Whisper White Cardstock (*cardstock is vertical*) and stamp sentiment, rooster & wheat images onto 2-3/4 x 4 Whisper White cardstock (*cardstock is horizontal*).
2. Tap pencil eraser into ink pad then color images. **Tips:** *Start with lightest color first. For wheat images I place eraser flat and moved in an upward swishing motion (for both Mango Melody & Granny Apple Green colors). For Rooster image I tilted the eraser on an angle to use only edge of eraser to color close to image lines.*
3. Fold 4-1/4 x 8-3/4 Basic Black cardstock on 5-1/2 score line, adhere stamped 3 x 4 Whisper White (wheat images) to 3-1/4 x 4-1/4 panel. **Tip:** *Only apply adhesive along edge of Whisper White cardstock to avoid having adhesive in center of panel which will be cut out with punch.*
4. Place Classic Label Punch upside down over panel with Wheat images reaching in as far as punch will go. Line edge of punch to edge of Whisper White cardstock and punch. Slide to other end of panel and line punch up to edge of Whisper White cardstock and punch. Set aside.
5. Fold 3 x 8-1/2 Basic Black Cardstock on 4-1/4 score line, then adhere stamped 2-3/4 x 4 Whisper White Cardstock to top panel with fold on right side and adhere other 2-3/4 x 4 Whisper White Cardstock to inside. Adhere to Poppy Parade Cardstock, then center on Cardbase panel and adhere with fold on right side (cardbase fold is on left side).
6. Fold left panel of card closed, then insert top panel from right side into slot created with Classic Label Punch.
