Die Cutting Machine

Measurements:

♥ **Soft Suede Cardstock:** 5-1/2" x 8-1/2" scored at 4-1/4", 3" x 4-1/4"

♥ **So Saffron Cardstock:** 4" x 5-1/4"

♥ **Whisper White Cardstock:** 3-3/4" x 5" (for inside card), 2-1/4" x 3-3/4", 2" x 8" (for flowers & leaves)

♥ **Designer Paper:** 4" strip

Instructions:

1. Run 4" x 5-1/4" So Saffron Cardstock through Die Cutting Machine using Subtle Embossing Folder. Adhere 4" strip of Designer Paper to left side then adhere to Soft Suede card front.
2. Cut 3" x 4-1/4" Soft Suede Cardstock using Stitched Nested Labels dies and Die Cutting Machine then adhere to card front.
3. Stamp sentiment on 2-1/4" x 3-3/4" Whisper White Cardstock using Soft Suede Ink then cut using Stitched Nested Labels dies and Die Cutting. Attach to Soft Suede Stitched Nested Label image on card front with Dimensionals.
4. Stamp two leaf images on one end of 2" x 8" Whisper White Cardstock using Mint Macaron Ink. Cut using Leaf Punch then attach to card front with Mini Glue Dots.

5. Stamp two flower images on other end of 2" x 8" Whisper White Cardstock using Soft Suede Ink.

Tip: Be sure two petals are stamped along edge of cardstock to aide in cutting with Perennial Flower Punch.

6. Color petals with Light Daffodil Delight Stampin' Blends and highlight image lines with Dark Daffodil Delight Stampin' Blends then cut with Perennial Flower Punch.
7. Using Bone Folder carefully curl each flower petal. Using Paper Snips cut almost half way into each of the petals (along the center of the flower) one one flower image then place it on top of the other flower with cut petals going underneath bottom petals then twist... one side of each petal will be underneath the next petal. Insert Mini Glue Dot between flower images. Attach to card front with Dimensionals. Remove paper backing off Perennial Essence Floral Center then adhere to center of flower.
8. Stamp inside sentiment on 3-3/4" x 5" Whisper White Cardstock and adhere to inside of Soft Suede cardbase.
