Simple Gift Card Pocket Card

Materials & Measurements:

- **Designer Series Paper** (double-sided): 3" x 10" scored at 4-1/4" & 8"
- **Main Cardbase Color Cardstock:** 5-1/2" x 8-1/2" scored at 4-1/4"
- **Coordinating Cardstock Color:** 3-1/4" x 4-1/4"
- **Very Vanilla or Whisper White Cardstock:** 3-3/4" x 5" (for inside sentiment)
- **Coordinating Embellished Image for Card Front:** Prepare an image of your choice which coordinates with the cardstock colors and designer paper you selected. Image can be as simple or as detailed as you would like.

Supplies/Tools/Adhesives:

- Simply Scored Scoring Tool OR Trimmer with scoring blade, Stampin' Seal, Tear & Tape Adhesive, Dimensionals

Instructions:

Step 1 - Card Base is 5-1/2" x 8-1/2" scored/folded at 4-1/4".

Step 2 - Adhere 3-1/4" x 4-1/4" coordinating card stock to center of card front.

Step 3 - Adhere right panel of scored Designer Series Paper to coordinating cardstock with 4-1/4" score line on right side of card front.

Step 4 - Fold Designer Series Paper around card front to inside panel of cardbase. Apply adhesive to 8" score line of Designer Series Paper, then adhere down.

Step 5 - Fold 8" score line of Designer Series Paper to create a pocket, use Tear & Tape Adhesive to adhere sides of pocket together.

Step 6 - Embellish outside & inside of card as desired.

Thank you for creating with me,

 **Terri**
