

# Double Twisted Ribbon Technique

## Instructions:

- Score 5-1/2" x 2" Cardstock (*twisted ribbon base*) along 5-1/2" side every 1 inch. "

**Tip:** Score 5-1/2" x 8" cardstock, then cut into four 5-1/2" x 2" strips.

- Using 1/2" strips of designer series paper (*four designs*), adhere top edge of design #1 strip across twisted ribbon base starting at the top left corner to the 1st score line on the right.

- Adhere top edge of design #2 strip starting at the 1st score line on the left to the 2nd score line on the right.

- Adhere top edge of design #1 strip starting at the 2nd score line on the left to the 3rd score line on the right.
- Continue adhering strips to bottom of base alternating between design #1 & design #2.
- Adhere partial strips to top & bottom keeping even spacing between strips.
- Trim all edges

**Note:** Design #3 & #4 strips of designer series paper will angle upward from left to right overlaying design #1 & #2.

- Adhere top edge of design #4 across the base starting at the 1st score line on the left to the top corner on the right.
- Adhere top edge of design #3 across the base starting at the 2nd score line on the left to the 1<sup>st</sup> score line on the right.
- Continue adhering strips to bottom of base alternating between design #4 & design #3.
- Adhere partial strips to top & bottom keeping even spacing between strips.
- Trim all edges
